

## Assumption of Risk, Waiver of Liability, & Indemnification Agreement (Read Before Signing)

Name of Participant: \_\_\_\_\_ Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

Torrent Falls Climbing Adventure, LLC (hereafter referred to as **TFCA**) offers high adventure opportunities for all ages. TFCA caters to individuals, families, and groups such as boy scouts and church groups. TFCA activities are geared for all skill levels – both experienced climbers and beginners. Activities are provided on TFCA property, on private property, and in the Daniel Boone National Forest. Featured activities include 1) Via Ferrata (a climbing system that aids the climber by cables and hand and foot rungs), 2) guided rock climbing (offers private guided rock climbing classes and group clinics from professionally certified climbing instructors), and 3) guided rappelling (offering both private and group guided rappelling trips). TFCA activities involve adventure, excitement, challenge, fun, develop fitness, promote self confidence, and have many other obvious values.

While the benefits of participation in TFCA activities are obvious, TFCA feels it is important that the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)** understand that there are **inherent risks** in all physical activities, including outdoor activities such as Via Ferrata, guided rock climbing, and guided rappelling which can't be eliminated regardless of the care taken by TFCA.

While participant safety is of major concern to TFCA, the fact is that rock climbing and rappelling are conducted in a natural setting which contains unpredictable hazards; in such a setting TFCA can never be in total control. While it is impossible to list all of the inherent risks of rock climbing or rappelling, the following list illustrates some of the inherent risks faced by the participant: weather-related risks (e.g., hot, humid weather; unexpected lightning; sudden high winds); over-exertion; being struck by debris, dislodged rocks, or other objects; falls from a rock wall, cable, swing, or bridge; loss of footing due to slippery rocks or unstable stones; collisions with stationary objects or other participants; participant failure to adhere to posted rules or warnings; careless, erratic, or negligent acts by co-participants; careless, erratic, or negligent acts by non-participating general public; unexpected carabineer, harness, or equipment failure; errors in judgment by TFCA personnel and instructors -- including, but not limited to, misjudging participant ability or fitness level, misjudging weather conditions, failure to give adequate warnings or sufficient instructions, and concentration lapses while supervising.

TFCA feels that it is important that the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)** understand that three types of injuries can occur. *Minor injuries* are the most common and include, but are not limited to, sunburn, muscle soreness, headaches, sprains, cuts, black eyes, blisters, bruises, and abrasions. *Serious injuries* are less common, but can occur occasionally. They include, but are not limited to, broken bones, concussions, torn ligaments or cartilage, eye injuries, cuts, broken teeth, heat-related illness, and internal injuries. *Catastrophic injuries* are very rare; but TFCA feels that every **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)** should be aware of the possibility. These infrequent injuries include permanent disability, brain injury, paralysis, blindness, heart attack, stroke, and even death.

**Assumption of Inherent Risks:** I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)** assert that I am familiar with the inherent risks of rock climbing and rappelling and I have been reminded of some of the inherent risks by the preceding paragraphs. **I, the TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian), understand that all activities of TFCA include inherent risks that cannot be totally eliminated** regardless of the care taken by TFCA. I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, 1) know, 2) understand, and 3) appreciate the types of injuries inherent in TFCA activities. I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, hereby assert that **participation is voluntary** and the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian) knowingly assume all inherent risks of the activity.**

**Waiver of Liability for Ordinary Negligence of TFCA:** In consideration of permission to participate in TFCA activities, today and on all future dates, **I, the TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, on behalf of myself, my spouse, heirs, executors, administrators, personal or legal representatives, and assigns (hereafter referred to as the *Releasing Parties*) **do hereby waive, release, covenant not to sue and discharge TFCA** [including ROC Entreprise, Mark Meyer, Kathryn Meyer, Christian Ferrera, all corporate partners and owners, directors, board members, officers, employees, volunteers, independent contractors, sponsors, vendors, consultants, agents, equipment suppliers, insurers, other TFCA participants, owners of all venues, and the U.S. Government, Daniel Boone National Forest, its management, and employees] (hereafter referred to as the *Protected Parties*) **from liability from any and all claims, demands, and actions of every name and nature including those arising from the ordinary negligence (including negligent rescue operations) of the Protected Parties.**

This agreement applies to 1) personal injury (including death) from incidents or illnesses arising from participation in TFCA activities including, but not limited to: Via Ferrata, guided rock climbing, guided rappelling, night climbs, group instruction, clinics, special events, merit badges, combo packages, multi-pitch climbing, training/conditioning activities, and all incidents on the premises. It applies while I am an observer or spectator; during personal use of all facilities; and while being transported or walking to a venue. This applies to all facilities, venues, equipment, and all premises including the associated trails and parking lots and to 2) any claims resulting from the damage to, loss of, or theft of property.

**Indemnification:** I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, also agree to hold **harmless, defend, and indemnify TFCA** (that is, defend and pay any judgment and costs, including investigation costs, attorney's fees, and related expenses) from **any and all claims** of *Releasing Parties* or others acting on my behalf, arising from my participation in TFCA Activities, (including those arising from the inherent risks of the activity or the ordinary negligence of *Protected Parties*).

I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, further agree to hold harmless, defend, and indemnify TFCA against any and all claims of co-participants, rescuers, and others arising from the conduct of the participant in TFCA activities.

**Clarifying Clauses:** I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)** confirm:

1) This agreement **supersedes any and all previous oral or written promises or agreements**. I understand that this is the entire agreement between me and TFCA and that it cannot be modified or changed in any way by representations or statements by any agent or employee of TFCA.

2) The foregoing Assumption of Risk, Waiver of Liability, Indemnification Agreement, and Covenant Not to Sue is intended to be as broad and inclusive as is permitted by the laws of the State of Kentucky and that **if any portion thereof is held invalid**, it is agreed that the balance shall continue in full legal force and effect.

3) If legal action is brought, either the state court serving Wolfe County, Kentucky, or the U.S. District Court for the Eastern District of Kentucky has the **sole and exclusive jurisdiction** and that only the substantive laws of the State of Kentucky shall apply.

4) I will engage in good faith efforts to mediate any dispute that might arise. Any agreement reached will be formalized by a written contractual agreement at that time. Should the issue not be resolved by mediation, I agree that all *disputes, controversies, or claims arising out of participation in TFCA shall be submitted to binding arbitration in accordance with the applicable rules of the American Arbitration Association then in effect.*

**Acknowledgment of Understanding:** I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, have read and understand this Agreement. I understand that I am **giving up substantial rights**, including the right of both the participant and the parent or guardian to sue for damages in the event of death, injury, or loss. I, the **TFCA Adult Participant or TFCA Minor Participant (& Parent/Guardian)**, acknowledge that I am voluntarily signing this agreement, and **intend my signature to be a complete release of all liability, including that due to inherent risks or ordinary negligence by the Protected Parties**, to the greatest extent allowed by law of the State of Kentucky. *Further, I, the Parent/Guardian, assert that I have explained the risks of the activity to my minor son or daughter and that he or she understands this Agreement.*
